MEETING AGENDA

Monday, September 20, 2004, 7:30 PM

The Seymour, 945 Pennsylvania Avenue, Miami Beach

Discussion: Getting out the YES vote for the Bay Link ballot question (see language below) that will go before Miami Beach voters in November.

Should Miami Beach approve the construction of an electrically operated streetcar transportation system commonly known as "Bay Link", running on tracks and connecting a loop around downtown Miami to a loop around South Beach via a dedicated lane added to the MacArthur Causeway, provided that no concurrency or development credits are granted by Miami Beach for the transportation system and provided further that all construction costs are paid entirely from federal, state, and county funds?
