## NEWSLETTER & MEETING AGENDA

Monday October 30, 2006

7:00 – 8:30pm

at

The Seymour, 945 Pennsylvania Avenue, Miami Beach

**Please note the special date and time of this meeting.**

### Agenda

#### 1 Welcome and Introductions

#### 2 Guest Speakers: *Vetting favorable candidates from the October 23 Seymour Forum*

These candidates would be those whom we consider possible supporters of streetcars who might have addressable concerns.

#### 3 Discussion: *Reorganization Update*

Putting the ART mission – to promote multiple, inter-connected and environmentally sound transportation solutions for our community – into effect.

12-Month 3-Part Goals/Coordinators:

- Develop a locally controlled strategy for streetcars in Miami Beach/Mark (6-Month Goal)
- Meet with commissioners and local partners to advance consensus/Jeffrey  
Convene regional forum to advance collaboration and neighborhood-based solutions/Dano (In collaboration with UEL "Hold The Line")
- Convene meeting (forum/charette) exploring how to make Miami Beach more friendly to pedestrian and transit alternatives. Develop agenda for "multiplicity" of local options in coordination with neighborhood groups/Gabrielle

Jeffery will coordinate agendas, and Tobias will develop communications strategies for website and the Newsletter to reflect the 3-part goals and city/regional/neighborhood content. Continuing contributions by as many ARTists as possible will be essential to keeping this process going.

#### 4 "5-Minute Quickie" Updates: *South Florida East Coast Corridor Study*

Please go to <http://www.sfecstudy.com> to familiarize yourself with this essential component of South Florida regional public transport. The CTAC recently took a possibly historic vote on this issue. Also, an important announcement concerning the Sierra Club.

#### 5 Miami Streetcar Project Status Report

#### 6 Old/New Business

New Orleans: *The Big Easy* moves one step closer to full service!

Now, see, if we already had a streetcar, you could get to the meeting like this:

\* \* \* \*

The Alliance for Reliable Transport was formed in 2003 by Miami Beach residents who share an interest in improving public transportation. Meetings are open to the public.
